Re: Press Release – For Immediate Distribution

Adventure Offroad Group Expands Dealership Locations with Acquisition of All Seasons Argo & Equipment of Anchorage, AK.

[Burke, SD, May 24, 2024] – Adventure Offroad Group, a division of Liewer Enterprises, Inc of Burke, South Dakota is thrilled to announce its latest move in the Off-Road Market with the acquisition of All Seasons Argo & Equipment of Anchorage, Alaska effective June 1st, 2024. All Seasons Argo & Equipment in Anchorage, AK has been a well-respected Dealership since 1998 known for being a brand ambassador of Argo Amphibious 6x6 and 8x8 Xtreme terrain vehicles in both the Commercial and Recreation Marketplace.

Adventure Offroad Group, previously known as Argo Adventure, is a leader in the Amphibious XTV industry offering high-quality equipment along with parts, accessories and a certified service department. The Adventure Offroad Group team would like to welcome the staff of All Seasons Argo and Equipment. With our team of dedicated employees, we commit to the highest level of professionalism for our most valued asset, our customers.

“We always strive to do our best at providing customers with the highest level of customer satisfaction. This acquisition of All Seasons Argo & Equipment aligns perfectly with our “Customers First” vision. This is an exciting opportunity for both us and our valued customers throughout Alaska.” stated Kevin Liewer, President of Liewer Enterprises, Inc / Adventure Offroad Group.

The location address for the dealership will remain the same at 1300 E 80th Ave, Anchorage, AK and all vehicle inventory will be viewable between the Burke, SD and Anchorage, AK locations on Adventure Offroad Group’s website at www.AdventureOffroadGroup.com

During the initial transition time, inventory of vehicles, parts, and accessories will be replenished at the Anchorage location throughout the month of June and into early July. An initial shipment of new Argo’s and parts will arrive in late June 2024

The Anchorage phone number of 1-907-277-6188 will remain in service or customers can call 1-888-898-2746 to place immediate parts orders or to speak to a representative.
